Professor

Dated: 19.10.2016

F. No. MZU/NIRF/2015/03

All Deans of School, MZU
All Heads of Academic Departments, MZU

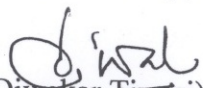

Re.: National Institutional Ranking Framework-2017

Dear Sir,

On October 17, 2016 the Data Capturing System (DCS) is opened to upload the relevant data for the National Ranking of Universities -2017. I wish to inform you that with the direction of Hon'ble Vice Chancellor, MZU, we have already registered for the all India rankings under the category of "OVERALL" ranking. Therefore, in this regard the data is required from the various academic and non-academic departments of MZU in the prescribed format. The prescribed format is same as we used last year but some additional information is needed this time for which the prescribed format is provided. All these formats will be uploaded soon on our MZU website (www.mzu.edu.in) for your reference. I request you kindly send the complete information to the undersigned (preferably by e.mail) on or before November 4, 2016. This could enable us for smooth uploading of data on the NIRF portal.

Looking forward for your kind cooperation and with best regards,

Yours sincerely,

(Diwakar Tiwari)
Nodal Officer, NIRF (MZU)
