Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	The University has taken a very proactive approach in completing the courses in time. Mizoram University is one of the few Universities in the country that conducted full online/virtual classes by using advanced students' centric ICT tools. The University has fully employed the Learning Management System (LMS) where all the course contents (both in audio and ppt) were uploaded. In addition to this the supporting platforms viz., ZOOM meeting, Google Meet software was exploited to aid the existing LMS system. The LMS has helped in conducting the Internal assessments including the tests, assignments etc. Further, the University has organized more than 300 Webinars during the pandemic period covering almost all the topics of interest of students. Moreover, the University has arranged a series of lectures telecast through the local TV Channel Zonet where the University teachers delivered lectures covering a significant course content of the syllabus. These lectures are all placed on YouTube and available free to everyone. We are happy to mention that very good views were recorded for the lectures as well the webinars we kept on YouTube hoping a larger community of the aspirants are benefitted from our efforts. Further, fortunately, almost all the students were having the Net Connectivity hence, the University did not face difficulty in completing the courses on time.		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0
