File No.: MZU/ECE/NPM/DRDO/2022/01

Date: 27.03.2023

Advertisement for JRF (01) in DRDO Project

Applications are invited for the post of Junior Research Fellow (JRF) in the following research project funded by DRDO at Department of Electronics & Communication Engineering, Mizoram University (A Central University), Aizawl-796004.

Title of the Project: Design and Analysis of Silicon Carbide Based Highly Sensitive MEMS Ultrasonic Sensor

No. of Post: 01 (One)

Fellowship: Rs. 31,000/- (Rupees Thirty One thousand) + HRA (8%) per month.

Eligibility: ME/M.Tech. in Electronics Engineering/Electronics and Communication Engineering/Electronics & Instrumentation Engineering/Electronics & Tele-Communication Engineering/ Microelectronics and VLSI Design/ Nanoelectronics/ Nanotechnology/ Bioelectronics/ Electronics Design and Technology/ Electrical and Electronics Engineering/ Electrical Engineering related subjects with a minimum of 60% marks or equivalent CGPA. The post is purely temporary and co-terminus with the project.

Desirable: Applicants having NET/GATE will be given preference in selection. Working experience in COMSOL Multiphysics and MATLAB.

Date of Interview: Date of interview will be intimated separately. Candidates who are unable to attend the personal interview can opt for **Google Meet**, with prior intimation.

Applicants are suggested to send their complete Bio-data (including publications, projects etc.) to the undersigned (by E.mail: mzut133@mzu.edu.in) latest by **11.04.2023**.
