

One Day Training Program
on
“Research Facility”
Under Scientific Social Responsibility

Sponsored by

**Science and Engineering Research Board
(SERB) Government of India, New Delhi**

Objectives of Training Program

The program's overarching goal is to increase student's familiarity with the research facilities and working of the sophisticated instruments used in the Department of Botany.

There will be lecture sessions (ImageJ and its application, Mendeley Reference Manager, and Basic Statistical Analysis using SPSS software) and a visit to the Central Instruments Laboratory (CIL).

Organized By

**Department of Botany
School of Life Sciences
Mizoram University, Aizawl –
796004**
