MESSAGE

It is a matter of immense pride that Mizoram University has been ranked 76th in the National Institutional Ranking Framework (NIRF) 2023's University Category announced on 5th June, 2023. It secured the second highest ranking amongst universities in the North East India. Pachhunga University College, its constituent college, also improved its ranking from 45th Rank to 34th Rank in the College Category. Furthermore, in the 2023 IIRF Top Central Universities ranking, Mizoram University bagged the 13th rank, ahead of all Central Universities from the North East. Such commendable achievements within only 22 years of its existence are due to the relentless commitment and hard work of the faculty, staff and students over the years.

In addition, I have been told that 88% of both teaching and non teaching posts have been filled up. The University's Online Recruitment Portal is now functional, through which all future recruitments processes will be done. Under NEP 2020, Office of International Affairs has been made operational to cater to foreign students studying in the University. Further, construction works under Capital Assets Grants provided by UGC have been started for the financial year 2023-24.

I look forward to an even brighter future for Mizoram University. It is an inclusive institution, enriched by a vibrant university culture of research, equal opportunities, and partnerships. I believe that the students here will graduate with the knowledge and skills they need to succeed in life. My heartiest wishes to the University Fraternity.
