INTERNATIONALIZATION OF HIGHER EDUCATION INSTITUTIONS: AT HOME AND ABROAD

Internationalization has become a crucial aspect of higher education, with institutions increasingly seeking to foster global perspectives, enhance cross-cultural understanding, and prepare students for a diverse and interconnected world.

In India, the National Education Policy, 2020 envisions attaining highest global standards in the quality of higher education. Striving to realize this objective, UGC has developed 'Guidelines for Internationalisation of Higher Education'. Through a wide array of activities such as internationally relevant curricula, brand building of Indian Higher Education Institutions abroad, academic and research collaboration with foreign universities, credit recognition under twinning arrangements, global citizenship approach and engaging with foreign alumni, these Guidelines provide an excellent opportunity for global outreach of Indian Higher Education Institutions. the UGC's objectives for Internationalisation of HEI within the framework of National Education Policy, 2020 are:

- To make India an attractive study destination for foreign students**
- To foster international competencies in our faculty and students**
- To develop a global mindset of our learners and shape them as global citizens with deep rooted pride in being Indian**
- To promote active linkage between Indian and Foreign Higher Education Institutions**
- To improve global ranking in internationalisation indicators**

INTERNATIONALIZATION OF HIGHER EDUCATION INSTITUTIONS: AT HOME AND ABROAD

With this fervour, Higher Education Institutions in India are called to come forward to take up various initiatives directed towards internationalisation of higher education in the larger interests of the students and enduring educational goals for the nation. This symposium explores the importance of internationalization both within domestic higher educational institutions and through international partnerships and initiatives, focussing on the following aspects on internationalization of higher, to enable the academia and all the stakeholders of higher education to better equip and execute the multifaceted dimensions of internationalization within the higher education landscape in India:

Internationalization at Home: Curriculum Integration, Diversity and Inclusion, Language Learning, Global Engagement.

Internationalization Abroad: International Partnerships, Study Abroad Programs, Dual Degree Programs, Research Collaborations.
